The above-mentioned letter warns that:

"This liberty will soon be dead if we do not rise to our feet TOGETHER and with one voice - cry out - STOP GIVING OUR BELOVED COUNTRY AWAY! Stop spending us into destruction! Stop killing our boys! Stop taxing us into one class--the poor!"

and that:

"Those who would overthrow this Republic by force-- and those who would destroy our Republic by subversion and treason, either knowingly or unknowingly, through spending us into bankruptcy by supporting an unsound foreign policy and a Socialistic domestic policy--work tirelessly night and day - - -."

It cites "a crying need for a political party to express the thoughts and ideas of all patriots who want a REAL 'change'." It alleges that there are but "a mere handful of men in both Houses of Congress who fight with all their might to keep the others from giving the United States of America away" and advises that all members of Congress are constantly pressured from the "left side", so "let us pressure them from the 'right side'," adding: "After all, it is public opinion that sways them; therefore, it is up to us to create the right opinion."

The letter goes on to advise that to exert effective pressure, "we must be a voting power" and that, as in union there is strength, all should join together "as the Constitution Party." Towards the end the letter states that:

"Our strength in numbers and purpose is dependent on you. Go out and talk to your friends and acquaintances --arouse their interest. You will be surprised and encouraged at the number of people who agree with you. Leaders and workers must be chosen in each county from amongst you. Help us make a wise selection."

The above-mentioned memorandum (accompanying the letter), much more outspoken, states:

"THERE IS AN ARMISTICE IN KOREA: but what does it mean? Are we going to permit Communist-Socialist nations, Russia, England, India etc. to dictate . .

"and scheme us into further traps of INTERNATIONALISM - world government or the beginning of one through NATO and the skeleton framework of the British Empire?

"And do not be fooled by the term - FREE NATIONS OF THE WORLD, a phony phrase and scheme to attract people of good intentions and worked overtime by our Internationalist Cabinet and other International stooges and principals in the Government.

"All of these affairs have been schemed, planned and operated through the forces of PROFESSIONAL INTERNATIONALISTS - those who control both the Democratic and Republican Parties, yes, the same in every other nation, Soviet Russia included. They, through war, scare, strife and intrigue of all kinds seek to throw all together for THEIR WORLD DOMINATION AND TRADE.

"OUR SOVEREIGNTY: yes - what does it mean? First, to control our own armed forces of defense. We had the first requisite of a great army in Korea, GENERAL DOUGLAS MacARTHUR, and had spent billions, sufficient for the best army in the world - but then put beyond our control through the conspiracy of the United Nations. The press has been filled with stories of our great weapons, atomic guns, super-atomic bombs - to sell and scare the people in Nevada, yet THEY had the flower of our land, our youth fight in Korea with gun butts, bayonets, the same as they fought with five thousand years ago -UNITED NATIONS-INTERNATIONALISM...

"THE OLD POLITICAL PARTIES HAVE PERMITTED THIS TO HAPPEN, even aiding it. They are so controlled as to be beyond recovery. A clean new party with no entangling alliances and controls but with high principles for the restoration and future protection of our Republic is our last hope. Please help us along and we will enlist sound national characters as fast as you aid us in this necessary organizational movement."

When in the course of political events it becomes necessary for a large group of the nation's voters to dissolve their bands with the political parties of the past and to set up a new and separate political party, a decent respect for the opinions of the electorate requires that they should declare the causes which impel them to do so.

We hold these truths to be self-evident:

That our Constitution was established under God "to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity;"

That our Bill of Rights was intended to secure our persons, papers and properties from governmental domination or seizure in whole or in part;

That the powers not specifically delegated to the Federal Government are reserved to the States respectively, or to the people;

That ours was to be the land of the free and not the land of statism, or any form of socialism.

Whenever the major political parties become destructive of these ends, it is the right of the voters to form a new party devoted to the restoration of the principles on which this country was founded. When a long train of candidates and platforms evince a common design to destroy our liberty and violate our persons, papers, and property, it is our bounden duty to form and promote a political party based on Constitutional principles.

Here are the facts:

Both major parties have voted for taxes and funds to erect a multitude of new offices and send hither swarms of officers to harass our people and eat our substance.

Both major political parties have endorsed a gigantic increase of governmental powers over individual freedom and property including our wages, our prices and our profits.

Both major parties have endorsed a huge increase in taxes and paper currency which has undermined the value and security of all we earn and own, or hope to earn and own.

Both major parties endorse the principle of buying the votes of favored pressure groups by offering subsidies and privileges at the expense of the nation's taxpayers and consumers.

Both major parties endorse the expansion of the Executive Branch at the expense of the other Governmental Branches and the people.

Both major parties have deserted Constitutional principles in favor of expediency and appeasement, in their efforts to win or retain public favor.

Both major parties have not hesitated to scatter our lives and substance abroad, in an effort to underwrite an international entente with socialist governments, the principle effect of which must be to compromise our inalienable rights and future freedom.

Both major parties have favored the manipulation and multiplication of our currency without any thought as to maintaining the soundness of the United States dollar or the right of the American citizen to own or make contracts payable in gold coin.

Both major parties have favored the further restriction and limitation of trade and production resulting in an upward spiral of prices and thus depriving our citizens of the products to which their efforts have entitled them.

Neither major party has opposed the subjection of our flag, our finances and our freedom to the sovereignty of the socialist minded United Nations and its sundry subsidiaries.

Neither major party has lifted a finger toward impeaching a man, who, over and above our international agreements and in open defiance of our Constitution, has engaged us in a fruitless war which has, and still is, taking the lives of innocent American boys whose inalienable rights have been brought to an unconstitutional end by the will of one man.

For these and sundry other reasons, we find it necessary for the preservation of our freedom, our Constitution and our country to establish the *Constitution Party*. We hereby dedicate our efforts to set up a Party with a nationwide organization to nominate and elect candidates for all elective offices of the Federal Government.

For the support of these principles, with a firm reliance on the protection of Divine Providence, we mutually pledge our allegiance and full support.

TITLE CONSTITUTION PARTY, USA, 105-0-3219			CHARACTER OF CASE INTERNAL SECURITY - X	

SYNOPSIS OF FACTS:

According to several editions of the publication "Closer Ups", published in 1952, and "The Facts", published in 1952 and early 1953, the Constitution Party, USA, was organized in 1952 in Chicago, Illinois, due to their dissatisfaction with the Republican and Democratic Parties. The individuals who assembled consisted of Nationalists, Isolationists, States Righters, White Supremists, Anti-Semites, and "Home Grown Fascists." The Constitution Party nominated General DOUGLAS MAC ARTHUR for President of the U. S., and U. S. Senator HARRY BYRD for Vice-President. The party's platform was to return to the principles set out in the Constitution. They are opposed to universal military training and believe the U. S. should withdraw from any international organization. Officers and sponsors of the Constitution Party set forth. Sources in Chicago reflect no activities of this party in Chicago since the summer of 1952.

I ORIGIN

Meeting at Chicago

"Closer Ups", of August, 1952, on Page 1, disclosed
in part the following information:

✓ There were more than 200 U. S. citizens from over 40
states who met at the Hotel Sherman, Chicago, Illinois, on August
7 and 8, 1952. The purpose of their meeting was to register their
intense disappointment of the Republican Convention held in
Chicago in 1952. They felt that the convention was captured by
the large money interest of New York and Detroit, and the
principles of "HOOVER and MAC ARTHUR" were completely repudiated
which had brought the Republican Party acclaim and acceptance.
This resulted in spontaneous indignation meetings in Chicago
hotels, which were attended by hundreds of hurt delegates and
observers. They felt a new party was their only hope.

✓ Following the Democratic Party Convention in 1952 in
Chicago calls went out from Congressman HOWARD BUFFETT, Nebraska;
"Operation America", Washington, D. C.; "Freedom Clubs"; and
"Minute Women of America", for citizens to meet in Chicago at
their own expense to express their political opinions. The
formation of this new political party was in the minds of all those
who responded, inasmuch as the complete loss of political parties
to American nationalism was becoming more conclusive to them.

The September, 1952 edition of "The Facts" on Page 1
disclosed in part the following:

After the Democrats and Republicans had chosen their
respective nominees at Chicago in 1952 a group of Nationalists,
Isolationists, States Righters, White Supremists, Anti-Semites,
and "Home Grown Fascists" assembled at the Hotel Sherman, Chicago,
to express their dissatisfaction with the existing political setup
and to discuss the possible formation of a new third party.

Meeting at Philadelphia

From Page 2 of "The Facts", September, 1952, the following information was disclosed in part:

On August 30, 1952 the "Constitution Party" met at the Adelphia Hotel, Philadelphia, Pennsylvania, and built a new organization at the top level of this party with such individuals as UPTON CLOSE, KENNETH GOFF, W. HENRY MAC FARLAND, JR. and [redacted]

Mrs. SUZANNE S. STEVENSON did not attend the above meeting and stated that she wanted no part in it because of the character of the people who were attending this meeting.

III STATED AIMS AND OBJECTIVES

The Declaration of Principles
and Preamble

The September, 1952 edition of "Closer Ups", Page 1, reflected the following information in part:

On August 31, 1952 the Constitution Party met and passed the Declaration of Principles, which are as follows:

"Whereas all three branches of our national government have strayed from the Constitution as established and interpreted by our forefathers.

"We, as patriotic citizens of these United States, propose that American voters be given an opportunity to register their disapproval of this trend.

"For this purpose we have formed a new political party dedicated to the basic principles of our Constitution.

"We must preserve our Christian heritage which has been the strength of this nation.

"We propose in particular the following principles which we believe to be in accordance with the spirit of the Constitution:

- "1. That governmental powers not specifically delegated to the National government by the Constitution should be returned to, and retained solely by, the States and the people.
2. Believing in the principles of our Constitution, as we do, we are definitely opposed to membership in any international organization which would have sovereign power over this country, its States or its citizens.
3. The fundamental principles of Socialism and Communism are in direct conflict with those of our Constitution and private enterprise system. We are therefore opposed to all forms of Socialism and Communism.
4. We propose that the power to coin and regulate money shall be exercised by the Congress as is set forth in the Constitution as contained in Article 1, Section 8, Paragraph 5. (Sound money, convertible in silver and gold -- not Federal Reserve Notes -- Ed.)
5. We are opposed to Universal Military Training."

The September, 1952 edition of "The Facts", Page 3, reflected the following information in part:

At the meeting in August, 1952 at Philadelphia a preamble to the Constitution Party was read by

"Whereas all three branches of the government have strayed from the Constitution, we have formed a political party dedicated to the basic principles of the Constitution."

Party Name

From the August, 1952 edition of "Closer Ups", Page 3, the following in part was noted:

At the Chicago meeting in 1952 the name "Constitution Party of the United States" was agreed upon and members were to be called "Constitutionalists." The Constitution Party was dissatisfied with both political parties. The members of this party believed that this country will stay strong providing America will stop wasting money on crippled and senile nations. The two-party system no longer exists in this country as both Democrats and Republicans have similar ideas. For example, they both support the United Nations. The Constitution Party is seeking to establish a party for the future with Christian principles.

Presidential Candidate

The October, 1952 edition of "The Facts" on Page 4, disclosed the following in part:

✓ The Constitution Party sponsored General DOUGLAS MAC ARTHUR for President in 1952. Senator HARRY BYRD, Democrat of Virginia, was the choice for Vice-President. VIVIAN KELLEMS, Stonington, Connecticut, was named as the substitute for Senator BYRD.

Activity in Presidential Election

☐ of known reliability, advised on September 28, 1954 as follows:

The Constitution Party was founded in 1952 and UPTON CLOSE, 231 Constitution Avenue, N.E., Washington, D. C., was the Publicity and Public Relations Committee for the party. Aroused Americans who were disgusted with the administration in Washington founded the "Constitution Party of the United States." It was the purpose of this party during November and December, 1952 to advise the members of the Electoral College, before they cast their electoral votes, of the danger this country faces from another TRUMAN or DEWEY type administration. The Constitution Party was not to become a tool of any individual or group. The program of the Constitution Party during the 1952 election was reflected as follows:

b2
b7D

- "1. To set up a new party organization in every state and county.
2. To get out the votes of the discouraged and resentful Americans for all true patriots on the old party ticket November 4.
3. To canvass the 531 electors who will constitutionally choose the next President, inform them of the constitutional rights to choose according to conscience, and ask them to save the nation and the world."

The goal of the Constitution Party was to raise \$8,000 to finance the sending out of letters to 150,000 select names of individuals who wanted instruction to become workers.

IV ACTIONS TO IMPLEMENT PROGRAM

Policies

From the August, 1952 edition of "Closer Ups" on Page 2 the following was noted:

Congressman RALPH GWINN, of New York, addressed the Constitution Party in Chicago, calling for the Constitution Convention to amend the Constitution:

1. To limit the amount of taxation.
2. To prohibit the government from engaging in private business enterprises.
3. Constitution of the United States cannot be nullified by treaty or agreement with a foreign power.

On Page 3 and 4 of the September, 1952 edition of "Closer Ups" the following in part was noted:

The Communist Party attacked the Republican and Democratic Parties and their candidates, EISENHOWER and STEVENSON, respectively. The Constitution Party favors General DOUGLAS MAC ARTHUR. In order to save this country, the Constitution Party must support

CG 105-2031

the candidates that the Republican and Democratic Parties repudiate, such as MC CARTHY, JENNER, BRICKER, GWINN, Republicans, and BYRD and DIES, Democrats.

"The Facts" edition of September, 1952, Page 2, disclosed the following information in part:

The theme at the sessions at the Sherman Hotel was dissatisfaction of both political parties. Two factions developed from this group. One faction favored forming a new party in the future and the other faction advocated forming a new party immediately. There was nothing definitely agreed upon at these sessions.

Newspaper Publicities

According to the September, 1952 edition of "Closer Ups" on Page 2 the following in part was noted:

The Associated Press, United Press and Cleveland "Plain Dealer" gave this organization favorable publicity. The Constitution Party requested every patriotic citizen to form local groups to support and back this party. They requested the voters to take back this government for the people in 1954 and 1956.

In an article entitled "Constitution Party Aids Quit; Race Bias Hit", in the Chicago Tribune dated September 1, 1952, it was disclosed that Mrs. SUZANNE STEVENSON [redacted] resigned as Chairman [redacted] respectively. Mrs. STEVENSON asserted that members objected to her because she is a Catholic and was foreign born. She explained that the meeting in Philadelphia by several members of the National Committee was an unauthorized meeting. At that time the party principles were rewritten to include this statement:

"We must preserve our Christian heritage which has been the strength of this nation."

This statement sounded to Mrs. STEVENSON to be anti-Semitic.

III. STATED AIMS AND OBJECTIVES

A leaflet entitled Constitution Candidates, Volume XVI,
San Antonio, Texas, October 10, 1954, sets forth the following
information:

"Constitution Party Is States' Rights Party

"The Constitution Party, founded in 1950, is champion
of States Rights and the rights of individual Citizens.

SA 100-8085

"Sound government will be restored only when enough individuals understand the original intent and purpose of the Constitution and apply its principles in the selection of public officers. When that happens, Constitutional government will be in effect.

"We print the 10th amendment as our stand on States' rights; our oath of office as our solemn promise to fight Communism; and several excerpts from pronouncements of Gen. Mac Arthur as to our political beliefs.

"States' Rights

"10th Amendment - The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.

"Gen. Douglas MacArthur

"Jan. 23, 1951 - 'I'll spend the rest of my life, if necessary, fighting communism. The American way of life is the most wonderful thing we have, and it is threatened.'

"Anti-Communism

"Oath of Office - I do solemnly swear that I will support and defend the Constitution of the United States AGAINST ALL ENEMIES, FOREIGN AND DOMESTIC; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter, so help me God."

b2
b7D

On November 15, 1954, [] furnished undated copy of Constitution Press Number 16 which had been received a few days previously. This paper contained the Constitution Party platform adopted September 14, 1954, at the Texas State Convention. This platform is set forth below:

"For repeal of national laws and Amendments which usurp the Constitutional Rights of States and citizens.

"Return the National Guard to State control and training, and oppose national Universal Military Training which leads to dictatorship.

SA 100-8085

"Stop tax discrimination by allotting State School Fund and District School taxes to all schools on a pro rata basis of pupil attendance.

"Oppose federal government in field of civil education in any way.

"No ad valorem tax on private passenger automobiles.

"For legislative tax relief to service station operators to offset loss by gasoline shrinkage and evaporation.

"Favor privately financed toll roads connecting major cities to protect State roads from heavy traffic.

"For automobile inspection by Department of Public Safety to stop present abuses by inspection stations.

"For repeal of laws which permit cities to annex territory without the consent of the property owners therein.

"Eliminate the accumulation of useless and unworkable laws by setting a definite expiration date. Desirable laws can be reenacted.

"For a State supervised optional retirement plan based on sound insurance principles.

"For strict and honorable administration of government in accordance with the principles of the original U. S. Constitution.

"Take government out of business and reduce government to the specific functions for which it was created.

"Oppose public ownership of land except for actual needs for governmental purposes and necessities.

"Return to the original Constitutional principle of proportionate taxation.

"Amend the Income Tax Laws which now provide for graduated and unlimited taxation not authorized by the 16th Amendment.

"Oppose Tax Free status of Foundations that show profitable income.

SA 100-8085

"Oppose the unconstitutional use of taxes for give-away projects such as foreign aid, lend-lease, unsecured loans, etc.

"Oppose all Treaties affecting internal law and national sovereignty.

"Repeal the Treaty provision now in the Constitution which states that Treaties 'shall be the supreme law of the land.'

"For immediate withdrawal from the United Nations, NATO and all other schemes for Universal government or world dictatorship.

"For immediate severance of diplomatic relations with the government of Russia and other communist governments.

"Oppose the U. S. Government meddling in the affairs of other nations, and other nations meddling in the affairs of the United States.

"Deport all foreigners now illegally in this country, and cancel the citizenship of those who advocate alien ideologies of government.

"Return all American soldiers to America and deport to their homeland all foreign soldiers now quartered here.

"For full protection by government of all loyal citizens at home or abroad whether in or out of the armed forces."

Thereafter was set forth this statement:

"This we believe. For this we stand. Upon this basis we ask you to support the candidates of the Constitution Party in the November 2nd, 1954, general election, and thereafter.

"If you want to return to Constitutional government, get on the wagon going in that direction. Get off the Communist Manifesto garbage truck headed for the dump ground where the shattered remains of other communist wrecked nations lie, but not in peace."

Undated publications number 13 of the Constitution Press as furnished by ☐ contained a suggested platform of eight points

SA 100-8085

for a U. S. Political Party and will be set forth hereinafter. The article proposing these eight points contained the following statement:

"A political party loyal to the United States needs no principles other than set forth in the original Constitution of the United States of America. Those principles are as elementary and ageless as the Ten Commandments.

"Sound government will be restored only when enough individuals understand the original intent and purpose of the Constitution and apply its principles in selecting public officers. When that happens Constitutional government will be in effect naturally and without fan-fare."

b2
b7D

A similarly-worded eight point platform was also set forth in undated publication number 15 of the Constitution Press, as made available by [redacted]. The article containing these points is entitled "A Political Platform for Constitutionalists." This article containing the platform is set forth below:

"This platform is for concurrent action by citizens who give more than lip service to the Constitution. It will restore the original Constitutional Republic, reinstate Representative Government in fact, and personally actuate the rights inherent citizens now let domestic traitors and foreign invaders usurp and flout.

"Before citizens can be politically effective they must be in agreement upon certain specific objectives they want to institute in the public policies of the government. They can't be like children playing 'follow the leader' who don't know where they are going or what they are going to do after they get there.

"When enough citizens think, act and talk alike, their program will go into effect naturally and without fanfare. It is just that simple, but probably too simple for modern 'intellectuals.'

"1. Elect Presidents as prescribed in paragraph 2, Section 2, Article 2, of the Constitution. This was designed to prevent dictatorship which popular voting breeds.

"2. Prohibit all immigration indefinitely. Immigration is foreign invasion and nations are no less destroyed whether

SA 100-8085

"the invaders carry poisonous ideologies, disease germs or guns. Limit voting to native born whose training qualifies them for the duties and obligations of citizenship. Revoke the citizenship and privileges of all subversives as discovered.

"3. After due warning, deport or decapitate those who continue to advocate and promote any form of government as a substitute for the principles the original Constitution ordained to be in effect for all time. Treason is treason.

"4. Eliminate the accumulation of obsolete, unworkable or undesirable statutes by setting a definite date for expiration, probably within two to four years after enactment.

"5. Renounce all present Treaties, executive agreements and military compacts which affect internal law or which impair the total sovereignty of this nation, or which deny to loyal citizens at home or abroad the fullest protection of government in their inherent citizenship rights.

"6. Repeal these words in Section 2, Article 6: 'and all Treaties made, or which shall be made, under the authority of the United States,' which words traitors use for purposes never intended; also repeal the word 'present' in paragraph 2, Section 2, Article 2. Require two-thirds of all Senators to ratify Treaties, executive agreements and military compacts of any nature whatsoever. Repeal the offending words. Do not add more wordy Amendments to the Constitution for judicial lackeys to warp, twist and misinterpret.

"7. Repeal the Communist 'progressive' Income Tax Amendment (16th) which violates the principle of proportionate taxation ordained by the supreme law, the original U. S. Constitution. Stop paying blackmail tribute to finance communism.

"8. Repeal the 17th Amendment which subverts the principle of proportionate representation and restore the U. S. Senate as the House of States. Stop subversion by repealing subversive Amendments and legislative enactments.

"In general, repeal all Amendments and legislation not in strict conformity with the principles ordained by

SA 100-8085

"the Constitution to be everlasting in the government of this nation. Repeal Communism. More people lose their Freedom by legislative decrees than lose it to slave-master or to invading armies. Legislation affects all.

"As individual citizens learn to be Constitutional themselves, and practice such principles, the nation will, to that degree, emerge from the chaos and confusion of democratic anarchy, and move closer to Constitutional government."

b2
b6
b7C
b7D

Undated publication number 11, Constitution Press, made available by [] contains on the front page a [] Letter" addressed to "Dear Constitutionalists" and bearing the signature of [] Constitution Party National Committee. This letter is quoted in part as follows:

"Folks are finally waking up to the fact that just meeting and organizing something or other, and reorganizing it, and passing resolutions, and writing their Congressmen, is getting them exactly nowhere fast with nothing but exhaustion to show for their efforts and money expended.

"It is politics that got this country into such a mess and only politics of the right kind can clean it up. Make your tea parties Boston style. The only way to be politically effective for America is in a political party working for America. Forget the old parties working for every country but America."

Publication Number 11 of the Constitution Press also contained the following article entitled "For A Free America":

"The U. S. Constitution was adopted by Delegates assembled in Constitutional Convention, September 17, 1787. Commemorate it, live by it, and demand the same of others. It is the Bible of American Freedom. Substitution is treason.

"Treaty making is optional, not obligatory. It is not necessary to make any Treaties giving away any American sovereignty or superseding any law or court in our land. Let's fix it so fools and traitors can't make any more such Treaties.

"Support the Bricker Treaty Amendment.

SA 100-8085

"Stop swarms of alien ideologists flooding this country. We have too many here now. Instead of America being a melting pot for foreigners it has become a foreign pot melting Americans. We are under no obligation to admit anyone from anywhere. Let's try to Americanize what we've got.

"Defend the Walter-McCarran Immigration Act.

"United Nations is an Internationalist dream for a means to rule the world. Eradicate this menace to American sovereignty and freedom.

"Support any Bill to remove U. S. from U. N.

"Disregard drivel about government needing money. Governments are like the hungry hordes of the world. They are always hungry and can never be satisfied. Americans stopped the tax thieves in 1776.

"Support Repeal of the Communist Income Tax."

This publication contained other articles in opposition to alleged Communism in government and schools and in opposition to the Federal income tax.

Undated publication number 16 of the Constitution News-letter, as furnished by [] also contains articles in opposition to Communism and the income tax and refers to the income tax as being unlawful and of Communist origin.

ADMINISTRATIVE PAGE

For the information of the offices that have not received previous communications concerning the Constitution Party, USA, this inquiry resulted from the information set forth on pages one and two, attributed to [redacted]. The Los Angeles Office determined that the Constitution Party, USA, was founded at a convention held in Chicago, Illinois, August 7, 8, and 9, 1952, called by [redacted] and associates of Maryland, at which a Temporary Chairman and National Committee were selected. The National Committee met in Philadelphia, Pennsylvania, August 30, 1952, to elect permanent officers. National Headquarters was moved from New York City to San Antonio, Texas, in December 1952, to facilitate organizational work. The National Committee met in San Antonio on May 25, 1953, completed its permanent organization, and restated the party's principles. Although state organizations are considered to be autonomous the Constitution National Committee reserves its "right to choose its membership measured against its established principles and objectives." Party principles claim the Federal Constitution is a contract between "sovereign states" and the United States is a "contractual Republic" emphasize states' rights and denounce encroachments upon the Federal and State legislative branches, including international treaties or agreements conflicting with the Federal and State Constitutions. The Constitution Party, USA, opposes world government, world wars, international control of "our sovereign affairs" and regimentation of the citizen by "military or otherwise."

The Bureau, by letter dated July 6, 1954, instructed certain of the offices to prepare reports suitable for dissemination concerning the Constitutional Party, in view of the activities in [redacted] of [redacted]. It has been determined that [redacted] is actually affiliated with the Constitution Party, USA. In view of the fact that the Constitution Party of Texas (an affiliate of the Constitution Party, USA) appears to be strictly a political organization and appears to advocate and employ legal means to achieve their objectives, the advisability of conducting further investigation of the Constitution Party in Texas is doubtful, and a separate letter is being addressed to the Bureau in this regard. For these reasons, this report has not been disseminated locally. Six copies have been prepared for the San Antonio Office in the event the Bureau feels that this report should be disseminated.

Mrs. STEVENSON related that she received a last minute
request to participate in this conference because of her
position as head of the Minute-Women of the United States
and of Connecticut. The conference convened in Chicago on

NH 105-901

August 7, 1952 and was attended by approximately 100 persons. She was named Temporary Co-Chairman of the new third party, together with [redacted] the "Christian Economics" magazine, 26 West 58th St., New York City and 43 Turner Street, Chevy Chase, Maryland. A preamble to the Constitution of the Constitution Party was drawn up during this conference which continued on August 8 and 9, 1952 in Chicago. Mrs. STEVENSON made available a copy of this preamble which was prepared by two representatives of the conference and which was submitted for the approval of the leaders of the new party. Mrs. STEVENSON stated that considerable dissention arose over the use of the following principle which was inserted in the "Declaration of Principles": "We must preserve our Christian heritage which has been the strength of this nation." This statement was considered by [redacted] and Mrs. STEVENSON to be anti-Semitic.

b6
b7C

Mrs. STEVENSON related that she contacted [redacted] He stated that he would be willing to lend his name to the movement providing its leaders eliminated all "crack-pots" from its membership. Mrs. STEVENSON advised that within several weeks, rather than eliminating the "crack-pots" she found that they had taken over the new party. A special meeting of the Approving Committee was called for August 30, 1952 by [redacted] the result of which was to include in the principles of the new party words relating to "Christian Heritage". Mrs. STEVENSON said that it was obvious to her that this meeting was illegal because it was not cleared through the Chairmen and that the Constitution Party had become dominated by the anti-Semitic group. She and [redacted] therewith submitted their resignations.

Correspondence in Mrs. STEVENSON's file indicated the anti-Semitic feeling which was being made prominent during the early period of the Constitution Party.

Mrs. STEVENSON made available a copy of a letter dated September 8, 1952 from [redacted] to [redacted], Butler, Pennsylvania, a portion of which is set out below, which indicates his reason for resigning from the Constitution Party following the Philadelphia meeting:

"The enclosed release we sent out last week will give you some details on the party that had an abortive birth just one month ago today. It resulted from [redacted] and which I think you would have approved. It spoke of the necessity of a new party eventually, if we were to save our original form of government. I may have indicated the sooner the better but I didn't advocate anything rash. Hotheads with stronger hearts than minds moved for immediate action without adequate consideration. [redacted]

[redacted] and then was given an impossible committee which included some anti-semites. [redacted] was nominated as [redacted] from the floor and nothing could be done at the time. Later at a Committee meeting it was decided that temporarily [redacted] would act in that capacity and [redacted] was so informed over the phone. Any help he could give a new movement would have to be way in the background.

b6
b7C

[redacted] cleared his release with [redacted] of Baltimore and took the part of the anti-semites who wanted to ignore our religious freedom tradition. I objected. The opposition to me developed over this, my theoretical advocacy of free trade [redacted]

[redacted]
and it played right into the hands of the element that had to be eliminated if the movement was to succeed. This forced our resignations."

Under date of September 9, 1952, Attorney EDWARD A. FLICKEN-STEIN directed a letter to [redacted] and Mrs. STEVENSON on behalf of the Constitution Party and [redacted]

[redacted]
demanding that all monies placed in their custody belonging to the Party be turned over to [redacted] in effecting a settlement in accounting of the Party's funds.

ARTHUR E. CASE

ARTHUR E. CASE, 1714 North Orange Grove Avenue, Los Angeles, complained to this office on February 28, 1949 that he had ordered fifty-one books from a publisher in Kansas, all of which books, he thought, were "Communist propaganda books"; however, the agent receiving the complaint could not agree with this characterization.

[redacted] advised on May 10, 1950 that ARTHUR E. CASE, utilizing a letterhead of "Arthur E. Case and Associated Constitutional Patriotic Groups, Hollywood 46, California, P. O. Box 8711", addressed a letter, dated April 30, 1950, to WILLIAM HENRY MacFARLAND, JR., National Director of the Nationalist Action League and enclosed a \$5.00 check "in reply to your letter of the 23rd...for the cause you described".

b2
b6
b7C

The Nationalist Action League has been cited by the Attorney General of the United States pursuant to Executive Order 10450.

[redacted] furnished on April 16, 1951 a circular addressed to "The Citizens of the United States", regarding "Senate Bill No. 1, 'Universal Military Training and Service Act', passed by your Senate on March 9, 1951 - 79 to 5", which it warns, "Will enslave every American citizen...they now have the set-up - the personnel, the plans, in the Department of Defense - plus the President. All they need now is passage of this enslavement and sovietizing act".

This circular purports to be issued by ARTHUR E. CASE of Hollywood, California, is dated March 26, 1951, and states, "All material I mail is at my own expense as a private citizen".

Attached to the above-mentioned circular was a four-page sheet captioned "Warning", which allegedly reprints the complete text of Senate Bill No. 1 along with comment. At the top of the sheet appears the following: "New Drive for World Government!...Here Congress yields authority and surrenders its effective authority over unending military or assignment to work programs started first by a term of military service and continuing on any projects, civilian or otherwise, in the name of 'necessity'." Your boys and girls, as members of an

'Armed Force', and then as members of the 'Reserve', WILL come under the authority of the U.N. Security Council. Read it here!" Also: "This is a grasp for power! We do not oppose a sensible military training program; But this bill is not only that!...in the name of necessity (not emergency) this bill will nationalize labor and all youth. It can and WILL 'Sovietize' the country in the name of defense. Here are the seeds of dictatorship! Note the grasp for power not only between the lines but in the words themselves! It can't happen here? This is it!" At the bottom of page one of this sheet it states: "Quantity reprints available at the Montrose Ledger, Montrose, California...extra copies available at Southern California Republican Women's Office, 215 North Larchmont Boulevard, Los Angeles".

[redacted] furnished a pamphlet entitled, "Military Training: With loopholes in the law to bring about National Regimentation through military Government and finally Military Dictatorship: The Road to Fascism, Socialism, Communism, One-Worldism", copyright 1951 by ARTHUR E. CASE, Hollywood, California. Printed therein is "A Voter's Letter to a Congressman", dated June 25, 1951, at Hollywood, California, and signed ARTHUR E. CASE, which letter is described as an "open letter". The paragraph headings (which, it is stated, did not appear in the original letter) are indicative of the subject matter of the letter. Some of them are the following: "A Republic up to 1913; now debts by the trillion and lives by the million; dictators usurp - only the people's rule is safe; sound youth training, yes - but why slip in social dictatorship; even the normal news services did not conform; a few alert citizens checked the Pentagon; a few sleepers in the UMT Act; world government schemes stopped by alert citizens; United Nations' charter ratified by the Senate has the biggest sleepers; when internationalists and their bankers and big government are in cahoots - that's real fascism; our most trusted legislators damn them, then vote for them; I repeat - dictators usurp - only the people's rule is safe".

On the rear of the pamphlet it states: "Arthur E. Case, Box 8711, Hollywood 46, California. A personal service to fellow Americans at cost for extra copies: This booklet, \$5.00 per 100..."

b6
b7C

LA 105-2151

On May 30, 1952 ARTHUR E. CASE and other members of the Committee to Elect Senator Jack B. Tenney to Congress, P. O. Box 16364, Vine Station, Los Angeles 38, California, visited this office and submitted a letter (on the committee's letterhead), signed jointly by them, which charged an opposing candidate's committee with violation of an election statute.

[] a Government investigative agency, under date of August 28, 1953 advised that ARTHUR E. CASE, age 60, retired manufacturer, was actively engaged in mailing circulars issued by the Constitution Party, USA, which operates out of P. O. Box 8911, Los Angeles 46, California; and that a reliable source advised that CASE is a clean-cut individual who lives in a nice residential section of Los Angeles.

[] advised that P. O. Box No. 8711, Los Angeles 46, (since renumbered 46261) was applied for on December 3, 1952 by A. E. CONSTITUTION PARTY OF THE UNITED STATES

*Conducted per
Indianapolis, IN
dated 10/19/63*
A source advised on ~~April~~^{OCTOBER} 15, 1963, that the
Constitution Party of the United States would hold a national
committee meeting at the Marott Hotel, Indianapolis, Indiana,
from October 19, 1963, to October 21, 1963.

✓ In a story in the "Indianapolis Star," a daily
newspaper, Dr. Arthur G. Blazey, Indiana State Chairman of
the Constitution Party advised the party was organized in
Indianapolis, Indiana, in 1960 to "correlate the efforts of
conservative votes in all states who have finally realized
that we have been denied a two party system for the past
thirty years."

✓ The story states that Lieutenant General Pedro
A. del Valle, United States Marine Corps (Ret.), Annapolis,
Maryland, is to be the main speaker.

The story quotes Dr. Blazey as stating that the general
is one who has not retired from the battle to save this country
from such enemies as the United Nations and current administration
collaborators who want to strip our Republic of all defense arms
and resources in order to subject our people to one-world tyranny.

States to be represented are Pennsylvania, West
Virginia, Georgia, Maryland, Florida, Washington, Illinois,
Texas, Colorado, California, Oregon, and Indiana. States which
have been organized but will not send representatives include
New York, New Jersey, and Wisconsin.

Re Indianapolis airtel to Bureau dated 10/16/63
with accompanying LHM same date and Miami airtel to
Bureau dated 10/14/63.

The LHM accompanying referenced Indianapolis
airtel sets forth information stating a national
committee meeting of the Constitution Party of the U. S.
would be held in Indianapolis, Indiana, October 19-21,
1963.

Referenced Miami airtel contains information
reflecting J. A. MILTEER of Valdosta-Quitman, Georgia,
was distributing certain leaflets to a number of
trusted people throughout the U. S. in an attempt to
have them participate in a meeting to be held in
Indianapolis, Indiana, October 19 and 20, 1963. Copies
of these leaflets prepared by the Constitution Party of
the U. S. were enclosed for the San Antonio Division.
Most of them appear to have been written by MILTEER
(supra).

Both referenced communications list San
Antonio as OO in this case. A review of San Antonio
file in this case fails to reveal any information
concerning the above-listed meeting in Indianapolis,
Indiana.

SA 100-8085

It is recommended that the San Antonio Division be deleted as 00 in this case for the following reasons:

San Antonio airtel to Bureau dated 9/1/56 pointed out that this organization, at least in Texas, appears to be strictly a political organization and appears to advocate and employ legal means to achieve its objectives. It was also stated that further investigation in the State of Texas did not appear warranted.

Los Angeles letter to the Bureau dated 1/13/58 captioned The Constitution Party (State of California), IS - M, reflected that a leaflet apparently issued by the Constitution Party in California pointed out the national headquarters of the Constitution Party was located at 1000 Vermont Avenue N.W., Washington, D. C.

Chicago teletype to Bureau dated 2/2/60 reveals [redacted] National Committee of Constitutional Parties, used the address of 145 Greenwich, New York 6, New York.

The San Antonio Express, a daily San Antonio newspaper, issue of 10/9/63, contained an article captioned Constitution Party Changes Name, Policies. This article stated in part that the Texas Constitution Party is no more. It pointed out that [redacted] said in San Antonio on 10/8/63 that the Texas Constitution Party is now known as the Texas Conservative Party. The article quoted [redacted] "We changed the party name as we changed our policy. We are switching from a defensive position to an offensive position." [redacted] said that in the past Constitution Party members nominated their own candidates and supported them inflexibly. He said, "Now we will vote for constitutional conservatives. If they happen to belong to another party, we will still support them. If there are no constitutional conservatives on other tickets, we will nominate our own."

b6
b7c

SA 100-8085

The article also pointed out that [] stated there is no national Conservative Party as such. He said several other states have had Constitution Parties and that most of these have changed to the conservative label.

The article continues pointing out that the Constitution Party in Texas was founded in 1950 []
[]

From the above there appears to be some question as to the location of the national headquarters of instant organization; however, it is not in the San Antonio Division, particularly since the Texas Constitution Party no longer exists, according to the above-mentioned news article.

LEADS

ATLANTA

Will attempt to determine through public sources and established sources the location of the headquarters of the Constitution Party of the U. S., noting that J. A. MILTEER, Valdosta-Quitman, Georgia, would undoubtedly be in a position to know this since he has been distributing literature of the Constitution Party of the U. S., some of which bore his name. Will advise Bureau of results.

INDIANAPOLIS

Likewise, will attempt to determine the location of the headquarters of instant organization, noting that information may have come out during the October 19-21, 1963, meeting in Indianapolis concerning this. Will advise Bureau of results.

All offices receiving copies of this letter are requested to review their files for information which would resolve the question as to the location of the national headquarters of instant organization.

The San Antonio Division is conducting no further investigation in this matter.

It has been ascertained that Herbert W. Butterworth is an officer in the National Knights of the Ku Klux Klan and is Secretary of the Defensive Legion of Registered Americans, Inc., which is described as anti-Semitic and anti-Negro organization.

Source advised that [] was talking about the FBI in general

[]

[] He did not further elaborate on the above.

The source stated that [] and [] were dejected and disgusted with the meeting of the Constitution of the United States.

In a story in the "Indianapolis Star," a daily newspaper, Indianapolis, Indiana, dated October 21, 1963, under the heading "Constitutionists Develop Split," the story points out that National Chairman Curtis B. Dall, of Philadelphia, said several of the hundred representatives at the meeting indicated that they would prefer United States Senator Barry M. Goldwater (R. Arizona) for their Presidential nominee.

The story continues by pointing out the movement against Thurmond appeared when the National Committee started a move to kick out J. A. Milteer, of Quitman, Georgia, out of the Party for declaring himself a Regional Chairman for Thurmond in the Southeastern states.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Re: The Constitution Party of the United States

✓ The story relates that Milteer had driven a truck plastered with signs advocating the nomination of Thurmond from Georgia. He also had spoken freely to the press. Several party observers said this evidently rankled Colonel Dall, who considers himself as the party spokesman.

Dall, a United States Air Force Reserve Colonel, frequently showed signs of keeping information on party policy or details from news media.

After threatening to expel Milteer from the party, an executive committee was held. Milteer attended.

✓ At the conclusion of the lengthy meeting, Milteer said that Dall and the executive committee informed him that he could stay within party ranks but he would have to confine his activity to the State of Georgia alone.

The source advised that the meeting of the Constitution Party of the United States was held at the Hotel Marott, Indianapolis, Indiana, on the 18th, 19th, and 20th of October, 1963.

The source advised the only two resolutions adopted by the Constitution Party of the United States at their convention were as follows:

1. That the party support a law suit, which may be filed by the Minnesota delegation against the Federal Reserve Bank of Minneapolis. Party officials would not announce details of the suit.
2. That its national convention to draft a suitable candidate probably would be held in Houston, Texas, in the Spring of 1964.

The source advised the following is a summary of the speakers who spoke to the members during the meetings on October 18th, 19th, and 20th, 1963, at the Marott Hotel, Indianapolis, Indiana:

Re: The Constitution Party of the United States

National Chairman - Curtis B. Dall, Philadelphia, Pennsylvania, read a letter from the Louisiana Committee on Free Elections. It gave support to the Constitution Party of the United States. The letter was signed Senator Harold Montgomery, State Chairman, and George W. Connor, 4th District Chairman.

[redacted] -
[redacted] stated a Mr. Daly, attorney, Minneapolis, has a brief to initiate a suit against the Federal Reserve Bank in Minneapolis and St. Paul, Minnesota.

General P. A. del Valle, Annapolis, Maryland - main speaker - the invisible government manages the two political parties. The Council on Foreign Relations has picked the top government officials for years. International Bankers want the debt ceiling raised so they can reap further interest profits. The U. N. is controlled by Marxists.

H. W. Butterworth, Atlanta, Georgia, - 100,000 men, women in the South will be on the streets of every town to see that the name Strom Thurmond is on the ballot. He claimed that equal time law has been suspended. The Constitution Party is planning to sue in New York and Atlanta in order to get free time returned to all political parties, not just the Democrats and Republicans. He told members to sue in every town in order to get free time.

b6

Alexander Hudgins - Richmond, Virginia, stated in Virginia a Conservative Council representative operates in each congressional district. In 1960, they fielded a slate and have one ready for the 1964 elections. The petitions are in the hands of the proper people to get Kennedy out of the White House.

[redacted]

Re: The Constitution Party of the United States

✓ [redacted] - She wants United States out of the United Nations. She is for the repeal of the Federal Reserve Act and to investigate tax and tax foundations and to sever all relations with Communist Countries. She suggested 10 women from each state go to Washington, D.C., to lobby for Constitution Party. She explained there would be 10 women there for each week of the year. Expenses would be borne by the women.

✓ Mr. Bertram Ellis - Houston, Texas - He wanted the next convention to be held at Dallas, Houston, Texas, or Shreveport, Louisiana, and promised a good Christian hotel and favorable publicity. He praised the women for their work in the party. Ellis said they have been badly treated in Indianapolis, Indiana. He said fire had destroyed the books and papers of [redacted] and [redacted] and according to Ellis, it was no accident. He said several rooms had been rifled, the hotel kept changing people from one room to another, they were not allowed any piano and called it a battle against the Christians.

✓ [redacted] - not further identified - hopes the United Nations will be burned to a crisp in the depths of hell. Clampitt said there were several things leading up to treason here in the United States. He was called down for using strong language.

Offices receiving copies of airtel and letterhead memorandum should search indices and if derogatory information developed advise Bureau by LHM.

Louisville is being furnished one copy in view of fact individuals registered as representing National Law Committee. However, informant was unable to verify if they attended convention.

The title of this case is being carried as "Constitution Party of the United States". It is realized that previous communications carried the title as "BAPBOMB" and "Meeting of Right Wing Groups, Indianapolis, Indiana, October 19 and 20, 1963". However, the meeting was the annual convention of "The Constitution Party of the United States". The right wing groups who were invited attempted to organize this meeting into an affair which would benefit them. This never materialized.

Copies of this airtel and LHM are being disseminated to offices where it has been established that members of the Constitution Party or other individuals were in attendance from that area.

Previous office of origin in this matter has been San Antonio. San Antonio by letter dated 10/29/63 advised that the organization appeared to be a strictly political organization and employing legal means to achieve its objectives.

It would appear logical to make Philadelphia office of origin in this matter as the Chairman of the National Committee, CURTIS B. DALL, 124 West Springfield Avenue, Philadelphia 18, Pennsylvania, is a resident of that city and two other officers are from that city.

Houston has been designated as the city for the next convention of The Constitution Party of the United States in April or May 1964.

Information set out in attached letterhead memorandum was obtained from [redacted], and is classified ~~confidential~~ in view of fact it would tend to reveal the Bureau's interest in a political party.

It is noted Indianapolis designates Philadelphia as Office of Origin in captioned matter without Bureau authority. It is also pointed out that Paragraph 5, Page 6, of referenced Airtel states that San Antonio letter, 10/29/63, advised that the organization appears to be a strictly political organization employing legal means to further achieve its objectives. The Bureau has stated in the past that if an organization merely has unpopular political beliefs and is not subversive or in violation of Federal law, that the organization is not to be investigated.

UACB, Philadelphia is not opening a case on captioned organization. Philadelphia has or will open cases on individuals residing in the Philadelphia territory to obtain at least preliminary background information and determine whether full investigation is warranted for reasons other than membership in the Constitution Party.

Leads

The same number of copies of this memo are being forwarded to each office as were designated by Indianapolis in referenced Airtel.

CONSTITUTION PARTY OF

RACIAL MATTERS
(OO: PHILADELPHIA)

Re Indianapolis airtel 11/4/63 with copies to
all offices receiving this communication.

All offices should comply with the leads set forth in re Indianapolis airtel to simply check indices on the various persons listed who are allegedly connected with the Constitution Party of the United States. Any derogatory information should be furnished to the Bureau in letterhead memo form using the above caption and a short preamble should be used indicating that the person attended or had some other connection with the subject organization as set forth in the letterhead memo which accompanied the Indianapolis airtel on 11/4/63.

At the present time there does not appear to be sufficient reason to investigate this organization as a hate organization under the criteria of Chapter 122 of the Manual of Instructions. The only indication of any suggested violence was the information concerning J. A. Milteer of Georgia, and it was indicated that J. A. Milteer was disillusioned with the subject organization.

Re Indianapolis airtels to Director, 10/16/63
and 11/4/63, captioned "CONSTITUTION PARTY OF THE UNITED
STATES, IS-X".

Referenced airtel dated 10/16/63 enclosed a
letterhead memorandum listing individuals associated with
the Constitution Party of the United States and its
forthcoming convention to be held in Indianapolis, Indiana,
from 10/19 to 21/63. Offices receiving copies of this
airtel and letterhead memorandum were requested to review
indices in order to identify the individuals mentioned
in the letterhead memorandum.

A review of NYO indices failed to reflect any
pertinent identifiable information pertaining to any of the
individuals mentioned in referenced airtel and letterhead
memorandum, dated 10/16/63.

The NYO is reviewing indices for any identifiable
derogatory information pertaining to the additional
individuals mentioned in referenced airtel dated 11/4/63.
Upon completion of this review, the results will be furnished
the Bureau and Philadelphia.

ReNYlet to Director, dated 12/24/63, and
Indianapolis airtel and letterhead memorandum to Director,
dated 11/4/63.

Referenced airtel and enclosed letterhead memorandum
set forth names of numerous individuals, who either attended
the convention of the Constitution Party of the United States
held at Indianapolis, Indiana, on 10/18, 19, and 20/63, or
who are its officers or committeemen. Among the individuals
set forth were the following individuals with New York City
addresses:

In connection with the above listed individuals,
a review of New York Office indices failed to reflect any
derogatory information for inclusion in a letterhead memorandum.

It is noted that the New York Office Indices were also reviewed in connection with all other individuals listed in referenced letterhead memorandum, who had addresses outside of the New York City area. This review disclosed some references identical with several of the individuals listed in the letterhead memorandum, however, this information emanated from other field offices and in some instances was not suitable for inclusion in a letterhead memorandum, because the necessary five point documentation was not available. It is noted that in all instances, where the New York Office Indices reflected information pertaining to individuals from other cities, covered by other field offices, those other field offices were disseminated copies of referenced airtel and letterhead memorandum and the names of these particular individuals together with a lead to furnish any pertinent derogatory information concerning them.

The image shows a document, possibly a check or receipt, with a large, stylized handwritten signature across the top. The signature is written in dark ink. In the bottom right corner, the letters 'EFW' are handwritten in a bold, blocky font. The document has a light background with some faint, illegible text and lines, suggesting it might be a form or a check. The overall image is in black and white, with some noise or graininess.
